INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On October 21, 2005, the Indiana Office of the Utility Consumer Counselor ("OUCC") filed a *Motion for Commission Ordered Mediation* ("Motion") in this Cause. In its Motion the OUCC requested that the Commission, pursuant to 170 IAC 1-4-1, order the parties to engage in mediation. The OUCC indicated that due to the unusual nature of this proceeding, formal mediation, conducted in the manner described in 170 IAC 1-4-1 *et seq.*, would make a resolution of this unique dispute more likely to occur, avoid further expense, and promote both judicial and administrative economy.

On October 26, 2005, the Board of Trustees of Harrison County Hospital ("Harrison") filed its *Response to OUCC Motion for Commission Ordered Mediation and Request for Attorneys' Conference* ("Response"). In its Response, Harrison expressed a willingness to participate in mediation and requested that the Commission grant the Motion. Harrison also requested an attorneys' conference, stating that it would be helpful to discuss the possibility of federal action and any objections the parties might have. Respondents Town of Corydon ("Corydon") and Ramsey Water Co., Inc., ("Ramsey") did not file a response to the OUCC's Motion.

The Presiding Officer, having considered the Motion and being duly advised in the premises, hereby GRANTS the Motion. Harrison, Corydon, and Ramsey shall advise the Commission on or before November 30, 2005, of the name of the mediator selected and the anticipated timeframe for completion of mediation. The currently scheduled December 12, 2005 evidentiary hearing shall be maintained as an attorney's conference, at which counsel may report on the status of efforts and request further procedural modifications as necessary.

IT IS SO ORDERED.
